**EXAMINER'S STATEMENT OF REASONS FOR ALLOWANCE**

1. This communication is an Examiner's reasons for allowance in response to application filed on October 05, 2005, assigned serial 10/551,926 and titled "Control Apparatus for Vehicle Having Fuel Cell Mounted Thereon".

2. The following is the Examiner's statement of reasons for the indication of allowable subject matter:

a. After carefully reviewing the application in light of the prior art of record and the searches of all the possible areas relevant to the present application, a set of related prior art references has been found, but those prior art references are not deemed strong to make the application unpatentable. Thus, it is found that the application is now in condition for allowance.

b. Although the prior art disclose several claimed limitations, none of the references teaches a control apparatus for a vehicle which comprises a fuel cell, an auxiliary equipment of the fuel cell, a secondary battery to be charged with electricity generated by the fuel cell, and a motor, wherein the control apparatus starts start-up of the fuel cell, supplying electricity from the secondary battery to the auxiliary equipment, monitors status of the fuel cell, and as the status meets a predetermined condition, computes an electric power at which the secondary battery discharges electricity, based on state of charge of the secondary battery and remaining time to complete of the start-up of the fuel cell, and supplies electricity from the secondary battery to the motor at the computed electric power (claims 1 and 8).

c. Claims 1-8 are allowable over the prior art of record.

3. Any inquiry concerning this communication or earlier communications from the examiner should be directed to examiner Tan Nguyen, whose telephone number is

(571) 272-6966. The examiner can normally be reached on Monday-Thursday from 5:30 AM-4:00 PM

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Thomas Black, can be reached on (571) 272-6956.

Any response to this action should be mailed to:

Commissioner of Patents and Trademarks  
Washington, D.C. 20231

or faxed to the Central Fax: (571) 273-8300.
